

# ORBIS® ORBITAL 1500

A powerful single disc combining orbital and rotary motion in one, providing constant vibration that increases cleaning efficiency.

## SIMPLE

Easy to use and manoeuvre. Plus, large wheels for easy transportation

## ERGONOMIC

Low vibration levels, good balance and quiet operation gives excellent operator comfort

## ACCESSORIES

Comprehensive range of accessories available for all your cleaning needs, including optional solution tank, spray attachment and additional weights

## EFFECTIVE

The chassis can be lifted above the motor to increase working pressure, making cleaning more effective

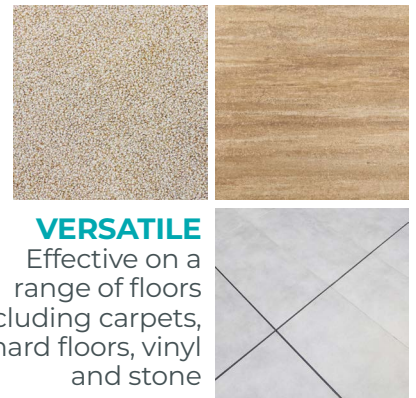

## EFFICIENT

Roto-orbital movement gives great stability and enhances the performance compared with a single disc machine

## VERSATILE

Effective on a range of floors including carpets, hard floors, vinyl and stone
